WORK

Domain, Content Design Intern

Feb 2020 - July 2021

Worked alongside the Go To Market team to design content for sales, marketing and training. Conducted user reviews and research around sale processes. Designed e-learning modules for company and team-specific training.

Advanced Anaesthesia Specialists, Freelance Web Design

Jan 2020 - Present

A part time freelance project redesigning the website, order process and cataloguing for AAS. Conducted usability testing, heuristic evaluations and secondary research and presented findings to inform how to build the website from the ground up - including cataloguing and mapping entire inventory.

Education

University of Sydney, Bachelor of Design Computing

March 2017 - April 2020

Semester Abroad, Malmö University

August 2018 - February 2019
